

MAKES REPORT ON CONVENTION

es. Anderson of Rotary Says Utah Honored By Bristol's Appointment

Ogden's Rotary club was highly honored when Ralph E. Bristol was named as one of the Rotary International directors at the convention held in Los Angeles, his excellent work as a Rotarian accounting for selection to the position, according to the official report of the Ogden Rotary club luncheon this noon in the club rooms. This official report was given by President H. A. Anderson, one of the delegates to the convention.

President Anderson presented a review of the convention, calling attention to the principal phases and the principal speeches that were made. He said a number of the subjects discussed at the convention could well be taken up by the Ogden club and the entire session given to each one, discussing the changes made by the new Rotary constitution, he said. Ogden is now in the fifth Rotary year, which includes the states of Utah and Idaho, with Charles P. McWhirter, justice of the Idaho supreme court, as district governor.

Two Ogden boys ranging in age from 8 to 12 years, appeared before the police today charged with the theft of a horse and buggy belonging to John Wheeler of Slater. The boys were said to have taken the horse to the canyon Saturday night and left the buggy and horse in the street. The horse was a blacksmith shop and then driven again on Sunday. In their tracks they picked up a sheep, broke the harness and damaged the horse.

Reports Theft—E. A. Munsey, operator of a new stand at Twenty-fifth street and Hudson avenue, reported to the police that his stand and refrigerator were broken into last night. Besides damage to the stand he reported the loss of two sets of cigars.

Lost Belongings—While the Ford motor car belonging to E. G. Hutchins of 2545 Fowler avenue was parked in front of the Ogden theatre Monday afternoon, four coils were stolen, and the police.

FADED LETTER TELLS OF CRIME

Atlanta Woman Finds Mysterious Dated 1890 in Second-hand Sewing Machine

ATLANTA, Ga., July 5.—A faded, wrinkled letter, bearing a purported confession of a killing in Texas thirty-eight years ago, was turned over to the Atlanta Constitution today by an Atlanta woman who asked that her name not be published.

The letter was found, she said, in the drawer of a sewing machine that she had bought 14 years ago in Columbus, Georgia, and bore at the bottom the name "Henry Sharp." The letter, dated Hillsville, Texas, June 28, 1884, was written by "A. L. George."

HILLSBORO, Ill., July 5.—(By the Associated Press)—Starting out to make the world better, by killing all the women, Manuel Ruiz, a Mexican laborer of Taylor Springs, killed his wife Tuesday. Today the nearby country near here is being secured by the sheriff's force in search of Ruiz. Ruiz left a note which in part was translated as follows:

BROKEN PARACHUTE IS CAUSE OF DEATH

JOPLIN, Mo., July 5.—A broken parachute belt told the story today of the cause of the death of William Spain, a "stunt" flyer, who fell 2000 feet when he leaped from a plane switched by 3000 spectators at Sedalia, 20 miles from here late Tuesday. Nearly every bone in Spain's body was broken.

Major Loses Car—Major Oliver G. Presbury reported that his Hudson car had been stolen from the Ogden arsenal some time during the night.

BULLETINS!

SALT LAKE, July 5.—In accordance with instructions from Denver, local officials of the Denver & Rio Grande Western railroad today commenced to employ men to take the places of those who struck at the local shops of the road Saturday. It was stated that the men would be paid the wages fixed by the labor board, which resulted in the strike, also that sleeping quarters would be found for the men in the yards and that a commissary would be established by the company.

HOUSTON, Texas, July 5.—There were virtually no developments in the shopmen's strike here today. The Southern Pacific claimed a few workers obeyed the ultimatum to return today or forever lose their places, all roads reported trains running regularly and all said that they were hiring men to take the strikers' places. Strike leaders were optimistic in their statements, calling it a 98 per cent strike.

place of striking railroad shopmen without telling them of the labor trouble, was begun here today by W. J. Blebsheimer, federal director of labor for Ohio.

"If I find the charges are sustained the offenders will be prosecuted under a section of the general

code, which provides a maximum fine of \$500," Blebsheimer said.

NORFOLK, Va., July 5.—The Norfolk Southern railroad has cancelled three of its passenger trains because the shopmen's strike made it necessary to conserve motive power, it was announced here today.

CHICAGO, July 5.—Normal train schedules and uninterrupted service was reported by all railroads entering Chicago today, with numerous roads reporting the shopmen's ranks strengthened and many strikers returning to their old places. Most of the roads were hiring new capable men who appeared, several advertised for machinists and one road opened an employment agency to recruit workers.

JACKSON, Mich., July 5.—The Michigan Central railroad officials at noon today ordered the company's

locomotive repair shops here closed indefinitely, when a majority of the shopmen who walked out Saturday failed to reconsider their action and return to work today. The railroad announced last week that unless all strikers were at work today the shops would be closed.

But 350 men appeared and the closing order followed.
